

Pet Food & Feed Ingredients

Top-Quality Products & Service

From dog kibble to cat treats, your pet food products are only as good as the ingredients you use.

Tilley Company is your premiere pet food ingredient supplier. Over the past seven decades, we've built relationships with the top pet food suppliers that allow us to source the highest quality ingredients for your products. Pair that with our world-class, modern distribution facilities and Tilley easily becomes an extension of your supply chain.

In addition to sourcing and distributing your pet food ingredients, our team of engineers also assist with blending and packaging services for your products.
